He said, "Who told you you are naked? Who told you you cannot make it? Who

0:06

told you you are naked? That sickness is terminating your life? Who told you?" There's a
cancel that and

0:12

he's the almighty God. There's a man when any heal he does is

0:18

forever. Doctor can only postpone your death. They cannot cancel your dead.

0:24

They can give you one drug or the other. Instead of dying this week, you die in the other.
God heal you,

0:31

when Jehovah Rafa heal you, the healing is forever. I said the healing is forever.

0:38

And that is why the help of God is forever, but the help of man is vain

0:44

according to Psalm 108:12. When man help you, give you 10 naira or \$10

0:51

or 100 or 100,000, you will spend it and it go in a second.

0:56

When it go, it will not be multiplied. But when God blessed you financially,

1:01

he never dries. He did it for that woman of old, for that widow, he will do it for

1:09

someone here this morning. Amen. In the name of the resurrected Jesus Christ. If word of
shall not be a

1:15

borrower, shall be lent to nation. I say you will lend to nation in the name of the Lord.
The next question

1:21

I want to take quickly is who told you you cannot deliver successfully.

1:27

To be pregnant is good but to deliver successfully is another battle.

1:35

Hallelujah. Amen. And that's why people don't announce pregnancy. It's only in UK they
1:40

pregnancy. They just say oh I'm pregnant even when they don't even know you. Maybe not

1:46

colleague. Oh I'm pregnant now. But Africa, we don't say it until say is

1:52

delivered. We look at the final result in there. Hallelujah.

1:57

But if you know the God whom you serve, he created you his image and after his

2:05

likeness, he has a plan for you. He had given you the power of his son and your

2:11

wars and your pains and your challenges are continually before him. He knows

2:18

your pay more than you do. Sometime he answer some people speedily. Sometime he

2:24

does not answer some speedily because he want them to grow to maturity fast. And when he
this is God and

2:31

you had a miracle. Where have you been? Where have you been? Why did you not
 2:37
 come since that's the time God's time is never late? God is not the vehicle of time but
 2:45
 a miracle worker. The Bible says in Isaiah 23:26,
 2:50
 "Thou shall not cast thy young." Thou shall not cast a young. It must
 2:56
 grow to the fullness of time before delivery takes place. And when the time of delivery
 Exodus 1
 3:03
 verse 19, you will deliver the Hebrew women of old in the name of the Lord Jesus Christ
 wanted to
 3:09
 ensure that all even newly born baby are killed before the meanwhile told Pharaoh
 3:14
 before we even get to where the woman in labor is, they have delivered already.
 3:21
 That's why we cannot kill them. They will just deliver and go say how do you monitor it
 3:27
 monitored. The grace they have is different. Somebody say discover that in you that
 3:32
 the grace you have is different in the name of the Lord Jesus Christ. It
 3:38
 may be a lastm minute issue. You don't even know what to do. You have come to a crossro
 3:44
 and you imagining what have I done that I'm suffering this. Don't ask God's question wh
 is even
 3:50
 there. Don't ask God where are you? God if I bon you for a second we are gone. I mean
 3:58
 a second. He sees you and I in the palm of his hands. All you journey to do to believe
 4:05
 God. He will answer you. He will give you a laughter in the mighty name of the
 4:10
 resurrected Jesus Christ. May God's name be praised forever in Jesus name. Quickly, let

 the mighty name of the resurrected Jesus Christ. Oh God raise a helper for that
 5:00
 brother for that sister in this season now in the mighty name of the Lord Jesus Christ
 5:07
 in Jesus mighty name we pray. Amen. In the Bible say that the help of man is
 5:14
 vain. It mean father say father father it is obvious
 5:20

it is obvious there is no one there is no one to help me to help me. Therefore,
 5:26
 therefore, Lord, stretch your hands. Stretch your hands and help me. Lord, stretch your
 5:32
 and help me. Please mention that you want God to help you this hour.
 5:38
 Lift your hand to heaven now. Mention that to God. You want God to help you
 5:44
 now. The help will come speedily in the name of Jesus.
 5:56
 Oh God, I ask father God, what is that area of health for your people? Lord, let them e
 6:03
 spirit answer, a spirit answer, a spirit answer, a spirit answer in the name of
 6:08
 the Lord Jesus Christ. A spirit answer in the name of the Lord Jesus Christ. A spirit a
 of the Lord
 6:14
 Jesus Christ. Thank you father. In Jesus mighty name we have prayed. Amen.
 6:22
 Lastly want to say don't listen to the voice of distraction.
 6:29
 There's always a voice of distraction. Say this one is impossible. This is too
 6:34
 big for God to do. This is too hard for God to do. Brethren, listen to the voice
 6:40
 of the Lord. The voice of the Lord will lift you higher and higher and higher and higher
 expected in the
 6:46
 name of the Lord Jesus Christ. Lord, I give you praise. I give you worship. I exalt you
 God. We ask Lord
 6:53

 cannot
 6:59
 succeed? I ask oh God in this extort those question Lord Baba answer them for
 7:05
 by miraculous provision by miraculous supply in the name of the Lord Jesus Christ. Do i

 7:33
 strength, with anointing, with more wisdom, that next time he's going to stand here
 7:40
 that God will use him in a mighty way as he has used him today.
 7:47
 and pray that everything the Lord has ministered through him will come to pass in our l
 7:54
 life of us family members in the mighty name of Jesus. In Jesus mighty name we have pra

Please, if you know you have testimony, let me show up.
12:37
Number one. Amen. Number two.
12:46
Yes. One, two. Amen. And three. Amen.
12:54
I want you to know something. Testimony. When you are a man, a woman that testify, you every time
13:02
because that was happen to David in the Bible. Whenever God do something for you, don't and tell people of God
13:09
what God for you. The Bible say David testify how God stood by him to kill be
13:16
to kill lion and testify and God stood by him again. What happened? He defeated Goliath praised in
13:23
Jesus name. Amen. So let's call our sister number one. Please go straight to testimony.
13:31
Get to the point. Amen.
13:36
Praise the Lord. Hallelujah. Praise the Lord. Hallelujah. Sorry, it's um it's going to
13:42
but I'll try to summarize it and I my husband agreed that should I should explain it, s explain it.
13:48
Praise the Lord. Hallelujah. So um 2024 ending of 2024 during the crossover we had um w
13:55
pastor told us to write the things we want for 2025. So one of the things we had on our was um job. So
14:02
our contract was coming to an end and we knew were we needed to renew it. No we needed necessarily a
14:09
renewal. So when we entered 2025 there were a lot of things we needed to do before we c applying for
14:15
jobs and most of them were not in our hands. So we kept praying to God. We told God by ending 2025,
14:21
we should have sorted this out. It was happening so fast to be honest. There were lots happened. But
14:28

finally we got the job. Amen. And um so when the job came um the next
14:33

thing was that we needed to start thinking should we remain here or do we need to move
that we

14:39

might need to move and the next thing was about house. So the h the job was going to be
14:45

Liverpool. So we we had um some viewings in the house. We viewed like three three
14:51

houses we liked, but out of that three, it was only one that we liked and it was really
back and forth um

14:57

to pressing to Liverpool during work hours. So, we we waited for the agents
15:02

to get back to us. That was before Christmas, but they we didn't hear from them. We we
discouraged. We

15:09

were It pained us really because we we really liked the house. So during during
15:15

Christmas and Boxing Day um we started applying again looking for houses they
15:21

were telling us after the new year after the new year after the new year. Well I'm I'm
God because few

15:28

days before the end of the year we got a call from that agent. They asked us if we were
We told them

15:33

yes and that was how the whole process happened. God gave us the house we wanted.
15:39

And um the second thing is that the contract for the job we got, we there
15:44

were other things I needed to get before the contract. The day we got the house
15:49

was the day we got the contract because we know with housing you have to let them know
employment, this one

15:56

and that one. We want to bless God that that happened. And um anything else for
16:02

Hallelujah. Okay. Amen. Sorry, one one more thing. Secondly, um few few weeks to Christ
16:09

we got a call one morning that my sister wasn't feeling well. We didn't honestly we didn't
anything serious.

16:16

But she went to the hospital. They told they told her they needed to transfer her to an
was

16:21

something bigger than we thought. So when she got to the second hospital, they admitted
she was

16:26

going to have an emergency surgery. But this was happening on a Friday. Friday night ti
hours of the

16:33

morning. We waited and waited and waited. Eventually, she got into the theater. I think
or 1

16:40

in the midnight. So, after a while, we got a call from my sister. She told me that the
they're

16:45

going to refer her that they can't go on with the surgery. They wanted to they wanted to

but that didn't

16:50

work. And they didn't feel confident um continuing with the with the um with the process
midnight. I was I

16:58

never I've never felt helpless both as as a doctor and as someone on the other side let
I've never felt

17:04

that helpless but that night I felt so helpless in my mind I was asking myself how are
refer transfer my

17:11

sister to somewhere else in the middle of the night but the story is that they got to f
hospitals that

17:17

night there were lots of stories our doctors are on strike other health professionals a
got we

17:23

went back to the same hospital and told them we don't know what to do these other place
cannot accept her. But the way God did it, it

17:31

was he's still a testimony to us. It was just side comments from the nurses on the word
why not just

17:37

go there? We have some colleagues that work there. We're going to call them and tell th
you're coming." That

17:43

was how we went. My sister took my other sister to the hospital and before we

17:48

know it, the surgery was all done and Amen. M and when they were telling us the story o
happened in the

17:54

surgery, my my sister would have would have not been here by now. But I want to give Go

18:01

that he spared my sister's life. Praise the Lord. Hallelujah.

18:06

Let's go number two.

18:15

So I play a sport um called rugby and yeah um it was about it was last year it

18:22

was last year in November and um I was on the pitch and then I got injured basically an
bad at one

18:29

point I just want to thank God cuz it was hurting for over two months. I want to

18:35

thank God for healing. Amen. We thank God for the healing is coming in Jesus name.

18:40

Let me use a loud one. Hallelujah. The Lord is good. May God's name be praised

18:46

forever in Jesus name. I will not take this for granted for divine healing that

18:51

the Lord healed me and my daughters. Erh particularly I had temperature right

18:57

pains aches not able to eat for like four days even though I was on

19:03

antibiotics painkillers a paracetamol TDS oh sorry three times a day it wasn't

19:10

even working the fourth day came and I said Lord my life is in your hand just

19:15

heal me I'm not going to take anything anymore the cough was without end and do

19:20

you know that that fourth day that I told God I'm I'm not taking anything anymore. I'm
 you
 19:26
 because you told me by the stripes of Jesus, I'm already healed. And lo and behold, the
 19:31
 disappeared. All the right God stopped. The cough was now having control. I
 19:36
 refuse to have control. And the Lord healed us to the glory and praise of his
 19:41
 holy name. I said may God's name be praised forever in Jesus name. Please
 19:47
 lay stand up as pray for you. Father, we thank you. We give you glory. Give you praise.
 19:54
 your whatever the Lord God has done is forever. The miracles are permanent in Jesus nam
 19:59
 Hallelujah. Praise the Lord. Hallelujah. Praise master Jesus. Hallelujah.
 20:05
 Praise master Jesus. Hallelujah. Hallelujah. Amen.
 20:11
 Um, you know when God is doing a thing, you
 20:16
 can't ask God some questions. The Bible say in Daniel 4:35
 20:23
 he has nothing and he does what pleases him with the army of heaven and no one
 20:28

 can ask him why or hold his hand back. Join me welcome
 20:37
 Chinosu Henry or Chiman
 20:44
 or Mr. and Mrs. Hallelujah.
 20:51
 Ah they clap your hands small [Applause]
 20:58
 them now. Hallelujah. You know when you do wedding how they do
 21:03
 presentation they still remember it's on the left side.
 21:10

 21:15
 is on the left. to use to defend. Hallelujah. Back to business. I They
 21:22

 21:27
 They have do their best in working for the kingdom. Yes sir. And God is a God of reward
 21:36
 But my prayer is that the church can ever appreciate you all both of you and all. uh sh
 first a
 21:44

 21:51
 know whether Henry was handling the first summer group it was h our main
 21:56
 president outgoing smen men president before David
 22:03
 Gay came on board and another department as well beauty committee as well for
 22:10
 beauty committee even when even he transferred to us he's still a part of it
 22:16
 Is that how committee is? So they have actually work here in Dota.
 22:22

They have served in various department. It's God that will reward them for their labor
 22:29
 And our job has taken them to a place called Liverpool just 40 minutes drive
 22:35
 from here or 45 minutes drive. They can still come and say hello to us whatever. So we
 them off. We are
 22:42
 listening the get me clearly. Yes sir.
 22:47
 When the sister in media we send her for thank God we not send her off
 22:55
 and Joe brought them back again to breast. They want to get better around think around
 December.
 23:02
 So hallelujah. We know that the men are ready. We know that the women are ready and uh
 23:08
 to start to tell Thank you. Repeater,
 23:14
 please. Yeah.
 23:26
 The men, please. The women, please.
 24:02
 We want to start from the men department. Praise the Lord.
 24:08
 Praise the Lord. Hallelujah. Um, so this news uh for some people that
 24:16
 I was able to call yesterday. So it came as a as a as a shock.
 24:23
 So and then I had to quickly just give him a call and say ah bro they hear
 24:29
 pastor I know say pastor cannot lie now but so um
 24:37
 just like just like what pastor said this is not a send off. So it's a sent
 24:42
 forth and then uh it's a token of uh appreciation
 24:48
 on behalf of uh the vibrant you know men team so in gotab we just
 24:56
 want to appreciate you for the good work that the lord has used you to do uh not
 25:03
 only in the church also in the fellowship uh we really uh appreciate your service
 25:09
 of love in the fire of God and in the men team and we can only pray that the
 25:14
 Lord God will continue to be with you and your family
 25:19
 and it will perfect everything that concerns you. Amen. In the name of Jesus.
 25:25
 So we want to say thank you. Thank you very much.
 25:34
 Um please uh brother Victor, braund if you are there. Bra please uh de man
 25:40

 25:45

26:13

26:36

in the children section. You have a speaker there now. You didn't hear. You put it off.

26:43

there's no in our hand. There's one. No. See one. Sorry.

26:53

Praise the Lord. Hallelujah. I don't know what to say exactly, but

26:58

I'm just I don't want to be emotional, but obviously we are going to miss them.

27:05

But don't make us miss you too much because Liverpool is not far. Praise the Lord.

27:10

Hallelujah. Praise the Lord. Hallelujah. I can't just describe this couple. I

27:15

can't really describe them, but you know them. They are exceptional.

27:22

Hallelujah. Um Even in tough time,

27:30

brother Henry, he has always remained calm and the words that comes from his mouth

27:38

is encouraging. I want to thank you so much. I want to

27:43

thank the lovely wife. Praise the Lord.

27:50

She's just there behind the scene, but what she does is powerful. Amen. I want to appre

27:57

Thank you so much. Thank you so much. Thank you so much. Thank you. Thank you.

28:03

Don't make us miss you so much. Eh, praise the Lord. Hallelujah. We We just have a litt

28:10

only God that will bless you. Bless your family, meet you at the point of your

28:16

needs. Praise the Lord. Hallelujah. Praise master Jesus. Amen.

28:22

Hallelujah. Now brother Peter sami cannot carry that one. It's not what a woman can car

28:28

know I ask become a president this one on behalf of the church. You say okay they job i
Liverpool

28:36

because you're off your speaker. So it's not our fault again. Peter don't go now. Help

28:42

now. She will not be speech. No you can't carry your waist. My waist is okay.

28:48

It's not what a woman can carry. Oh yeah. Where's the mic?

28:55

Praise God. Okay. Praise God. On behalf of the church um the um Great

29:03

Open Door Tabernacle. Okay. You can call it God's tabernacle too. Okay. Um we just want
as just a

29:10

token of love. You know, no one can pay back the service that one renders to

29:16

God's um you know, God's um fold. Like I said, behind the scene, a lot of things

29:21

that people don't see, but God sees it. You know, the quiet moments, cleaning, serving,
One of the

29:29

things I say also in church is that your presence ministers to some people that you don't know, so many

29:34

other things. We pray that the God that rewards, you know, that sees the secret, we reward you open beyond

29:40

your expectation in Jesus name. So, we want to present this to you in the name of the Father and the Holy Spirit. And

29:45

we pray his presence will go with you forever in Jesus name. He would undertake for you a great

29:52

doors for you ahead in the name of Jesus. And you would also even serve to greater you a level and

29:58

you fulfill God's purpose for your life in all your endeavors and you perfect all that in Jesus name.

30:04

Amen. Hallelujah. Thank you so much. God bless you.

30:11

Yeah. Rohead you want to say something.

30:38

[Applause]

30:49

Sorry, I'm wasting your time. Right.

30:59

So,

31:05

so when we came here, um

31:12

was the first place we came and then we we came to Canterbury House

31:22

and then we are searching for a church and then we saw this church and we

31:28

decided to come. Nobody invited us. We just walked in.

31:35

And when we walked in, we felt the presence of God.

31:43

Felt the presence of God. And um we came and we explored.

31:51

And like every other person does, you want to explore and go back. Sorry, I'm taking you

31:57

time. And then the when when we went back, we went to other churches

32:04

and then there was something that was saying that is where you're supposed to stay.

32:09

So we went back there and we came here and

32:15

wherever we are we try to put in our best

32:20

put in our best and then we try to serve

32:26

as much as we can and with the help of God. It is not by

32:32

our strengths. It is by the strength of the Holy Spirit.

32:37

And then the Holy Spirit does a lot of things. Sometimes he can say, "Okay, this is the time to

32:43

do. This is time to stop. This is time to continue." So when we we are in our visa and
32:50
know we're going to go to Liverpool, it was a hard decision for me to make. It was a ha
to because I
32:56
found a family here. I bet you every Sunday people come to my
33:02
house. We host families from here every Sunday. Almost every Sunday people will
33:08
always come to my house from this church just to encourage us as much as possible they
33:17
in the past few few months before Christmas I know that we have like three
33:22
or four five six families come to our house and it's not just anything it's about
33:27
love support care I'm kneeling down because I want to
33:33
thank the pastor pastor Joseph myself and sister patient
33:39
I cannot thank them enough in fact they took us as their own
33:45
children there a lot of things pastor doi will
33:50
tell me that he will not tell I don't think he tells even his children
33:56
yes there was something he said and since that day I held it on to myself
34:04
I might not be able to say here. But he said something that touched me. And so most of
calls me, I am
34:11
afraid. I'm scared because I know what God has bestowed on this man.
34:20
It's only God that can open your eyes to see. And if God opens your eyes to see,
34:25
you may not be able to understand it. It's not just about walking into the church and l
34:31
There was a time in the men's fellowship like it looks as if there were a lot of ups and
remembers. So I
34:39
came to him and I explained to him. I thank God that that that era is gone.
34:45
Of course that era is gone. And I I know we fought to some extent. But when the Holy Sp
it's time to
34:51
step down. I called him. I said, "Sir, this is time to step down." And he
34:57
agreed. He responded. I cannot thank you sir.
35:04
I cannot I cannot. In fact, there was a time
35:11
he come he came here and he called us. He made prayers for us, personal prayers
35:17
for us. So, not to waste our time, God will bless you.
35:22
Amen. And mommy, God will bless you. Amen. Yeah. God will bless you.
35:31
Lastly, because of time, what people don't see, God sees it. And
35:38
so, God has increased us in this church.

35:44

What we have now is way better than when we walked into this church.

35:51

So, there's a lot we have which we are very grateful to God. Thank you, Lord. And for o

35:58

people as of course human beings are human beings they will say oh there's something th
but of course God doesn't look like that

36:04

and he has told us that whenever he's preparing something he's actually preparing it fo

36:10

so we we we as human beings we always think as human beings always talk as human beings
found peace

36:16

let me tell you and I'm kneeling down we don't pray for children now we don't we we onl

36:25

done it amen Hey, we don't we pray for other people and then we pray for ourselves. Whe

36:31

writing the things that we we want, we just wrote something a lot of things. But that w
first three

36:38

because he has done it. So I want to thank everybody. I know that I've touched everybod

36:44

this church. There's nobody sitting down here I've not talked to. I try to do that. The
sitting down here

36:50

I'm looking at. I've not talked to. I've talked to every single person because I know t
God has done for us. So I want to be beg us as much as

36:57

possible try to be dedicated in the service of God.

37:03

Try to be dedicated. If it's Saturday Bible study, please come. If it's Sunday worship,
to come. God

37:10

will bless you and keep every one of us. Liverpool is not far of course, but as

37:16

much as possible for any program that is happening, I will come. Amen. For any program
I will

37:22

come. For everything you want us to do, we'll be here. We are part of this church. And
leave my pastor. So,

37:29

I'll always be around. It will look as if we've not left, but we are still going to be
so much

37:35

for the love and for the support and for the care. God bless you all.

37:42

[Applause]

37:57

Don't go yet, please. Let's turn to our feet. We want to pray for them.

38:09

Hallelujah. Wherever you find yourself,

38:17

serve the Lord. There's reward.

38:23

I'm not talking what you see. These are not reward. I said there's a reward.

38:29

Where things are hard, God will make it easier for you. Amen. And that what we are seei

38:36

getting a new contract. It can only be God.

38:41

And we are not taking it for granted. We give God all the glory. We give God
 38:47
 all the praise. You know when you have a leader who
 38:54
 stand with you when there is turbulence, you can forget.
 39:01
 Oh, this me fellowship must be divided.
 39:07
 and he stood his ground and heaven stood the ground.
 39:12
 Bible say be careful of them that cause division in the house of the Lord
 39:19
 and by the wind of the Holy Ghost the storm was come
 39:25
 those are not discussion for now even those who are evil gatekeepers it's
 39:31
 unfortunate for them God is a consuming fire but he give
 39:37
 people time to repent but my prayer is that
 39:43
 wherever fellowship you find yourself just serve the Lord with all your heart
 39:48
 and the blessings that follow will be our portion in the name of the Lord Jesus Christ.
 for this
 39:54
 family because uh he have made commitment in the altar of
 39:59
 God though in Liverpool is still with us in
 40:04
 the spirit. He's still with us in our program which
 40:09
 means the men fellowship are still free to invite him. That was saying if I get
 40:15
 him clearly and the women fellowship are free to invite the wife or women both of
 40:21
 them for fellowship. Of course we have church program we invite them. Of course summer
 chairman the one
 40:28
 we hold out more back. God is faithful. He remains faithful.
 40:35
 Lord we give you thanks. We give you glory. We give you worship. Lord,
 40:41
 you are a God that reward. Lord, they have work in your viol.
 40:48
 You know the reward that is best for them. Lord, do you with speed and accuracy in
 40:54
 the name of Jesus, sweet Holy Ghost,
 41:00
 you are the one that make difficult situation easier. Lord, because you are our helper.
 41:08
 You are the helper of Chidima and Chinu. Lord Lord
 41:14

 41:21
 dreams baba do more than that for them in the name of the Lord Jesus Christ.

 41:40

They will end the race at the feet of Jesus. Do it father and take all the glory.
41:48
The Lord God Almighty year 2026 shall be a memorial in their lives
41:56
in the name of the Lord Jesus Christ. as the thing goes. Baba year 2026,

42:17
show the help. You will show the help in the name of Jesus. Let your hand be upon their
42:23
God. Amen. 24 hours of the day, seven days of the week. Amen. This we have prayed
42:30
in the name of God the father and of the son and of the holy ghost in Jesus name we pra

43:35
Hallelujah sometime the mark is so high sometime
43:41
the mark is so low yet 2026 those things need to change.
43:49

We should go to the next level of successes. So they are going to be the majority
43:56
chairman there. You going to be in charge of sand and technical department.
44:03
They will ensure the mass are working in what they call the sand sound engineering.
44:10
They'll be there to work both media and sound and technical and choir work
44:16
together as team but the work cannot be duplicated.
44:22
But Jerry cannot be playing keyboard and be checking mic over there. It's not possible.
leave the m
44:27
and change it over there. So they have to ensure the mic is very very stable.
44:34
Very very stable. Some people run from the front because of the speakers.
44:39
So all those things will be done and how to do it it will be sorted by the team. The th
a team both the
44:46
media body sound and technical department and choir Jerry is there you have to make sur
44:54
together perfectly to the glory of God. And two remembers you come on Saturday

45:00

because they need the mic to do the aqua practice. on Sunday you need to come

45:06

early to ensure the ms are in order before the service begin

45:13

the m I don't know so don't start calling you from your house if you used to come by 10
you come by

45:21

too late 8:30 9:00 is that okay you are in the altar of god now angels are here

45:28

they taking records is it

45:34

how do by his grace.

45:40

By God's grace, sir. Hallelujah. They said by the grace, the grace is

45:45

released upon you already in the name of the Lord Jesus Christ. Lord, we give you thank
glory. Give you worship for the Lord as Lord grace them

45:52

oh God to accomplish this task. And as they do your work, Baba, do any need in

45:58

their life, Lord. In Jesus name we pray. Amen. Thank you. God bless you. God bless you.

46:04

God bless you. Hallelujah.

46:12

Hallelujah. Praise the Lord. Praise the name of the Lord. Hallelujah.

46:18

Just want to go straight to announce time. Um want to thank God for an amazing service
the

46:26

second Sunday in the year 2026. And our weekly services remain the same.

46:33

On sun Saturdays we meet for Bible study 6 to 7 p.m. Then from 7 to 7:30 is a

46:40

time for prayer. Just want to encourage us you know to be you know to be part of

46:46

you know as we said 11 days is hard of 365. What have you what have I done?

46:51

What have you done with the last uh you know 11 days? So let's just make up our mind to
study to come

46:58

and learn the word of God together. Hallelujah. Then every first Saturday of every month.

47:04

the previous Saturday before yesterday was is always the time for evangelism.

47:10

We don't do Bible study but we go out to preach the gospel. The Lord is trusting

47:16

us for that dimension. So let's do well to uh be part of the of

47:23

the mission. Hallelujah. Then on Sunday like this, the name prayer meeting starts from
from 9:30

47:31

to 10:00 a.m. is a workers prayer meeting. Then from 10:00 a.m. the Sunday

47:37

school starts. Then Sunday service, you know, afterwards. So again, I believe

47:44

that at this point, we need to make up our minds as regards to how we want to serve God
It doesn't

47:49

matter how much. It's important that we do our own But I believe that decisions start w

47:56

self-determination by the help of the Holy Spirit. Just want to encourage us to ensure punching that of

48:03

the Lord knowing quite well that if you know that you are you have the ability to be he possible, there's

48:10

no point wasting time. Hallelujah. The Lord help us in the name of Jesus.

48:18

48:25

year. Uh the venue is Berlin, Germany and the date will be 22nd of April to

48:31

48:38

part of that program. I believe it's going to be a head online probably on um RCG global platforms.

48:46

Hallelujah. Also, um I had the opportunity to speak with our

48:54

youth two Sundays ago. Please, I would uh encourage us to ensure that what we

49:01

discussed uh we will put it into play as soon as possible. And also if you are

49:07

interested in joining any subgroup in this church, please do well to see the pastor imm service.

49:14

And if you're interested to join, we have a drama sub group by God's grace. We'll be yo mighty things

49:19

49:27

after the service. Hallelujah. God bless you. Have a a fruitful week.

Anyone in the house, please. All right. God bless you. Do have an amazing day. God bles 50:11

Hallelujah. The Bible say the Lord out to the church daily such that she be saved.

50:20

Which means we have to intensify our evangelism the more. If all of us go out for evang 50:26
